The Center for Energy Efficiency and Building Science (CEEBS)
Envelope Professional Course Description

Using a “whole house” performance-based approach, this training will cover advanced building envelope diagnostic, evaluation, and repair skills to help you prepare for the Building Performance Institute’s Envelope Professional on-line and field exams. Training will include review of some Building Analyst topics, but is not a BA preparatory course.

Prerequisites:

Building Analyst training or BPI Building Analyst Certification.

Schedule:

The Envelope Professional Course consists of 12 hours of classroom instruction and 18 hours of field training for a total of 30 instructional hours. (flexible schedules offered)

Training Topics:

- Health & Safety
- Building System Relationships
- Indoor Moisture Sources & Solutions
- Psychrometric Chart & Sling Psychrometer
- Visual Inspection
- Thermal & Pressure Boundary Evaluation
- Identifying & Inspection Critical Shell Transitions
- Advanced Blower Door Applications
- Air Sealing & Dense-Pack Insulation Techniques
- Prioritizing Work
- Duct Diagnostics
- Duct Sealing
- Insulation Techniques & Applications
- Window & Door Inspections
- Building Airflow Standard
- Ventilation Systems Options
- Work Scope

Reimbursement Information:

NYSERDA reimburses 75%-100% of the fee upon completion of the course to qualified students in the New York System Benefits Charge utility territories. Your level of reimbursement is dependant upon the location in which you perform work under the New York EnergySmart™ programs. This incentive is being offered by NYSERDA for a limited time. You must complete the entire course to receive Proof of Participation and reimbursement. ***Reimbursement is subject to change at NYSERDA’s discretion.***

BPI Testing Information:

Following completion of this course, participants will be eligible to take the BPI written/online exam. The cost of the test is not included in the instruction fee. This written/online exam satisfies the first component of the BPI certification requirements. Candidates must also pass a performance exam before receiving certification. Please visit www.bpi.org for more information on BPI certification, or call BPI at (877) 274-1274.
